and's new story of African

# BLACK HEART AND WHITE HEART"

And will begin its publica-tion on January E. It runs four weeks. Himstrated. In this romance of the

has produced a story of lighting and love, of adven-ture and during, which will manore by which he won his fame. The chief characters are:

Philip Hadden, with a black

Nalvoot, with a black skin but a whate heart. Sares, a copper-colored beauty (with whom both fall in love.)

in your stocking.

THE PHATHER IT lending brave as-

One want bad effect of the present was talk is apt to be a great increase in possible deficit that they have a sent of the government, that they have a Senator Edmunds is one of the foreman and usages. Ex-

erywhere. It is not a lottery, it is simply a dead ninch.

Ir is to be hoped that craft of all

It is to be hoped that craft of all kinds will keep out of Dumraver's way as he comes into New York. If it does not, he may get mad, go home and make more and worse charges.

"Ramii I. M. Wish of Cincinnati says that during the last forty years he has officiated at 18,000 Jewish weddings, and only three couples whom he has narried have ever applied for a directed. The discussion is purely academic, the gails may be known.

The demands of the men were, first, that the consecutive hours, with thirty minutes off for dimer, should constitute a day's work; second, that two married have ever applied for a directed. The discussion is purely academic, the gails may be known, and only three couples whom he has narried have ever applied for a directed. The discussion is purely academic, the gails may be known, and the consecutive hours, with thirty minutes off for dimer, should constitute a day's work; second, that two surging around the counters of a store, you can make up your mind that the proprietor is a liberal advertiser," says the Rochester, Heraid. The merchant who does not advertise his business in-

minety-five years ago this day, there was born in Benhlehem of Judea, ac-

and that country.

How simple the story! how brist!

But out of that humble life, much of which was spent in the desert kill country of Gallice and along the lonely shares of lake Tiberins, what revolutions have come! What deep meanings to mankind have been unfolded from it! What an empire today accepts as lits hoad Jesus of Nazeroski. The kingdom of that imperious Herod who ruled Justia at Christ's bern; and who, accaring to the traditions, sought tis fife while yet an infant, has passed away. The very empire of the Caesars crambled to pleces notwinstanding its ranked of the sample of protection as good taste and the people would stand. Then why hesitate to begin advancing the work? Does there somewhere turk he suspicion that perhaps it would be wise to delay the operation until after the presidential election is over because the people might not approve of the imperious Herod who ruled Justia at Christ's bern; and who, accaring to the traditions, sought tis fife while yet an infant, has passed away. The very empire of the Caesars crambled to pleces notwithstanding its

by the Recubilicans in the House the latter part of this week, we may see at the same time they made their delatter part of this week, we may see
the novel spectacle of a Republican
House of Representatives passing a
tariff bill drawn on these that would
make it a tariff for revenue measure,
instead of a protective tariff for protection's sake. True it is to be a temporary measure, a law that shall go
out of force on the first of August, 1838.
But even a temporary tariff law enage.

at the same time they made their demands and stood together and appealed to public sentiment against the
unjust course of the Traction comtention's sake. True it is to be a temporary measure, a law that shall go
to do—consider fairly the demands of
the men, and allow them to belong to
say lawful organization. But even a temporary tariff law enact-ed by Republicans admitted to be The Philadelphia strike should lead CLEVELLAND CANGOT be accused of is one of the surprises even in these streng days that is truly the least expected.

The main features of the bill, according to the press reports are: A duty on wood of 60 per cent of the Mokinley law rate. A compensatory duty on while having no sit through the Christmas believed will make Congress fighting mod if nothing else will.

Wan of no war, the smoke of battle will not be agen. Nothing but smoke less powder will be used.

Expected. The main features of the bill, according to the press reports are: A duty on wood of 60 per cent of the Mokinley law rate. A compensatory duty on wholen goods of 60 per cent, of the Mickinley act rates. A duty of 60 per cent, of the Plans.

White and George F. Edmunds, it must commission shall be composed of men like Edward J. Phelps, Andrew D. White and George F. Edmunds, it must commission shall be composed of men like Edward J. Phelps, Andrew D. White and George F. Edmunds, it must command respect and that some further proposal from Lord Sallsbury would be come expedient and necessary. Certainly the personnel of the proposed veneruelan commission shall be composed of men like Edward J. Phelps, Andrew D. White and George F. Edmunds, it must command respect and that some further proposal from Lord Sallsbury would be come expedient and necessary. Certainly the personnel of the proposed commission shall be composed of men like Edward J. Phelps, Andrew D. White and George F. Edmunds, it must commission shall be composed of men like Edward J. Phelps, Andrew D. White and George F. Edmunds, it must commission shall be composed of men like Edward J. Phelps, Andrew D. White and George F. Edmunds, it must commission shall be composed of men like Edward J. Phelps, Andrew D. White and George F. Edmunds, it must commission shall be composed of men like Edward J. Phelps, Andrew D. war talk is apt to be a great increase in possible deficits that can arise, and that under normal conditions the present tariff law by the end of the fiscal year.

Emergines A'shillan women bear the title of princess in Italy, Russia and collect countries. That's nothing. Millions of women in America are queens.

There appears to have been a dearth of competent and honest men to manage the municipal affairs of New Orleans ever since the Louisians loctery.

There is nothing bears or marks a mothing to meet the graduate a surplus of seven millions. This would not necessarily unfit financial bill as sufficient to meet the financial bill as sufficient to meet all and the financial bill as sufficient to meet all and the financial bill as sufficient to meet all and the financial bill as sufficient to meet all and the financial bill as sufficient to meet all and the financial bill as sufficient to meet all and the country, a man of matters and the country, a man of matter an arise, and that under normal conditions the present tariff law by the end of the financial persent tariff law by the end of the financial persent tariff law by the end of the financial persent tariff law by the end of the financial persent tariff law by the end of the financial persent tariff law by the end of the financial persent tariff law by the end of the country, a man of matters and tariff law by the end of the financial persent tariff law by the end of the financial persent tariff law by the end of the financial persent tariff law by the end of the financial persent tariff law by the end of the financial persent tariff law by the end of the financial persent tariff law by the end of the financial persent tariff law by the end of the financial persent tariff law by the end of the financial persent tariff law by the end of the financial persent tariff law by the end of the financial persent tariff law by the end of the financial persent tariff law by the end of the financial persent tariff law by the end of the financial persent tariff law b

Honse nacing in New York has been determined not to be a lottery. That is the trouble with horse racing everywhere. It is not a lottery, it is not a lottery, it is not a lottery. It is not a lottery it is the trouble with horse racing everywhere. It is not a lottery it is mand the confidence and respect of the world as well as of Americans. The United States can afford no less.

OPENING THE TARIFF DOORS.

It begins to look as though the fun THE HERALD PUBLISHING CO.

IN C. Chambers, Precident, Heber J. Grant, Vice-President, Heber J. Grant, William A. Grant, J. Grant sentatives were about to begin, numbshugent common to those times 000; besides the loss that it sustained ded in the shape of protection as good

away. The very empire of the Caesars crambled to places notwithstanding its hoped-for immortality; and many a kingdom since has perished from the earth, but the empire of Christ is extending; more men and more nations are crowling into it, and are isarring to do homage to that humble, faultless life whose every-day common places now speak volumes for the instruction of the people.

All honor to Jesus Christ! Love of God through leve of man was the chief article of his creed, and peace on earth, goodwill to man the message he proclumed.

Now what did the strike settle? Nothing, absolutely. The company in case of dispute arising will only treat with the workmen in its employ, but will allow them membership in any tending organization. It will give their grievances fair consideration. It will take back as many of the old employees as there are vacancies to fill, but will not discharge the new men have about one thousand new men have been employed that many of the old in the strike settle? Nothing, absolutely. The company in case of dispute arising will only treat with the workmen in its employ, but will allow them membership in any tending organization. It will take back as many of the old employees as there are vacancies to fill, but will not declare a proposed to imit debate on it so that there shall be a vote on it not take back as many of the old employees as there are vacancies to fill, but will not discharge the new men have been employed that many of the old introduced. On this question of debating the bill. Speaker Reed is a retired out, will be a take back as many of the old employed that the same remark that "this introduced. On this question of debating the bill. Speaker Reed is a retired to that there shall be a vote on it not take back as many of the old employees as there are vacancies to fill, but will not desired. The membership in any treat with the working it is introduced. On this question of debating the bill. Speaker Reed is a should not the House tomorrow to the complex of the time that the s PROPOSED REPLBLICAN LEGISLATION.

Gay's work and compensation are left for future determination.

Gay's work and compensation are left speaker before, but the method of proposed for this new tariff bill shows that it is to be disposed of If the information obtained by the working men. There is no concession passociated press dispatch may be resided upon in regard to the tariff and financial legislation to be introduced.

There you have it, and the achievement of the procession in the financial and the procession of the men was just, and had inappear to the introduced without a strike. The speaker before, and if he has again made this remark it clearly proves Speaker before, and if he has again made this remark it clearly proves that he intends to be again the czar he

once was.

If there is a place in all the land where there should be debate, solemn, earnest discussion of important questions, that place is the House of Representatives of the United States. There can be no free government without free debate, and the majority that arbitrarily cuts it off without afford-ing a reasonable opportunity is no less the leave and grace his subjects are allowed to play at parliamentary government. Where would the liberty of the English commons, where would the

JOAQUIN CRESPO.

The cover and the colors. The frontispiece is a very good process picture of Pocation of the cover and the contents. The Tribure is to be congratulated on its enterprise.

JOAQUIN CRESPO.

The president of Venezuela, is a man about 56 years old, is very wealthy, as large family, and resides at his country seat in Marneay, and is now in noor health.

He was called to Caracas, the capital of Venezuela recently, on account of the existing controversus.

GOVELNOR MORTON respited "Bat"
Shea until January 7, not desiring to mar the general rejoicing of the holling season. That kind of a governor is not very good timber on the country season.

JOAQUIN CRESPO.

Prices as above. Sale of seats of the was president from 1882 to 1887, and was again elected on October 11.

JA FEATURE OF THE SEASON.

In a straw yote reseast.

SERATOR CHANGLES had his wheel sent all the way from New Hampshire to Washington. This indicaste that when war is declared he will be found in the bicycle corps.

George Du Maurier has been well repuid for writing "Trilby." He spent less than six months on the story, and from the will be found in the bicycle corps.

The most remarkable woman in politics

or, if it is not to remain an empty form of words, it must be enforced. If it gives us any right to interpose at all to prevent European aggressions on American cell, it gives us the right to interpose effectively.—St. Paul Pioneer Press

Will Hold England Responsible. Will Hold England Responsible.

If it shall be discovered that England is acting within its rights, that will settle the matter. If, on the other hand, it shall be made apparent that she is seeking to take advantage of a weak power and to extend her domain in South America without any justification excepting that which praceds from superior force, then Great Britain must prepare to hold itself responsible to the United States for an act which violates one of the established policies of this government.—Kansas City Star

The tone of the British Press.

The tone of the British press, which is year and to speak with more or less authority, does not warrant the onlines which appears to be entertained by some that Great British will abundon her position in the Venezueian controversy rather than go to war with the Builed States. It is true that she has compilications elsewhere, that her military and naval resources are in pretty full demand to protect her possessions and interests in all quarters of the world, and that she has ensured every where. Yet it is not wise to conclude that she could not be driven into a war with this country, or that she could not be driven into a war with this country, or that she could not be driven into a war with this country, or that she could not be driven into a war with this country, or that she could not be driven into a war with this country, or that she could not be driven into a war with this country, or that she could not other.

The tone of the British press, which is paper secretary inted the boy to kites the process of the paper said the little fellow. The pope, whe does not study then the remark was translated and held out his hand to the boy.

You may eat cheap food and not be seriously hurt by it; but you cannot take cheap medicine without positive injury. If you use any substitute for Ayer's Sarsaparilla, you do so at the pertil of your health, perhaps of your the pertil of your health, perhaps of your inflet twey great damage upon us. For

A Genuine War Spirit Exists A Genuine War spirit exists.

A genuine war spirit exems to exist among the people of the United States. This spirit is not a sentiment that would demand of Congress that it declare war against Engiand or against any other country upon a slight prevent. It is a spirit that will emphalically indorse and sustain Congress and the administration in the enforcement of any principle of international law or equity that seems to be just and right.—Denver Times. Be Sure We Are Right.

Ascertain to our own satisfaction what the just boundary line is and then give warning that no trespansing will be per-mitted. If Congress is not willing to back up the government in that position let there be no more talk in it of the Monroe doctrine—Cleveland Plain-Visitor.

The People Will Follow. President Cleveland may rest well as 

## PACIFIC COAST EDITORS.

Open the Mints to Silver. Open the Mints to Silver.

If the committee on Finance report that in view of the continuously of war it is advisable to open the minus to sulver as well as gond, it was bring the matter agreetly before the Senace and the company of the senators on record on the any of question. If there should be war the government would of measurestly be outged to coin share as well as about two materials and the senators and the senators are also senators. If the senators is the senators are not senators and the senators are not senators. If the senators is the senators are not senators and the senators are not senators and the senators are not senators.

## One of Two Evils.

It is possible that war with England will be evaded, but the changes appear not so good for severing an extra year non of the Montana legislature. Ana-conda Sandaru.

## Too Swift For Them.

Too Swift For Them.

It is just a little amusing to observe the protests entered by those two formers impositions and apparently feromers imposition and apparently feromers and apparently feromers in the second of the second o

A Notable Event.

If the plans do not miscarry, and there is no prospect that they will, there will be the most skymicum parade in New York City on the next Fourth of fully that this country, and perhaps the world, has ever seen. Unout the seal of Courtee A. Dana, of the New York Sun, it has been proposed that there be a grand procession on next independence Day of the veterans of the chant and Contessrate armies. A general invitation is to be issued to adopt of a sumptuous entertainment at the hands of the great metropolis of the country, and participate in a grand parade of the blue and the grey once more united under the Stars and Stripes.—Seattle Post Intelligencer.

## Professor Laughlin Scored

Chicago has a processor whose name is J. T. Lawrence Laughlin, and who is an ornament to the Standard Oil university. Professor J. T. regrets the attitude of President Cleveland. He thinks it breathes mirder. Of course breathing interests a section thing, and the professor having made this important discovery has a percet right to organize into a self-admiration society.—San Francisco Examiner.

The Most Christian Nation England cannot show that the major-ity of her inhabitants who have reached the age of self-conclous responsibility are professing Christians. It would seem, therefore, that the United States must be accorded the first place among Chris-lian nations as the strongest adherent to the vital principle in mourn exhibition.—San Francisco Chronicie.

NO7 ABLES OF THE DAY.

In a straw vote recently taken in an Emglish drawing room for poet laureate, Swinburne received; wenty ballots, Watson eleven, Morris dve, Kipling three and Richards one.

THE MONROE DOCTRINE.

Enforce the Monroe Doctrine.
Either the Monroe doctrine must be deminitely abandoned in deforence to the geremptory commands of Lord Salisbury. It it is not to remain an empty forms of words it was a long of the property of the second of the principal.

Since her marriage to Baron Wallhofen, Pauline Lucca has hardly been visible to the outside world. She is still a handsome woman, some years past 19, and lives in Vienna, where she busics herself training a few asplring girls to be prima donnas. She spends her summers in the Villa Wallhofen, at Gmunden, where she has a tiny private theatre to amuse her. President Crespo, of Venesuela, is a tall, heavy man, with a counternance revealing force and determination. He is very absorbed at 5 o'clock in the overling. He is not the habit of summoning his ministers to him at sunrise. He is fond of cartie ranching, and owns a large number of acres not far from the Venezuelan capital. He is a fine equestrian.

The pope is very fond of children. A little English boy was recently admitted to an audience with his holiness. The papal secretary invited the boy to kirs the none's slippers. "We don't kiss people's fest in England." said the little fellow, "but he's a nice old gentleman and I'll kiss his hand." The pops, who does not steak English, smiled when the remark was translated and held out his hand to the boy.

HUMOR OF THE DAY.

A 6-year-old child aptly described imag-mation as looking at things you cannot see.—Texas Siftings.

Toper-I shay, mister, can you tell me (blo) where the aldewalk is? I am a suranger here.-Fliegende Blatter

Consolation.—She—Poor uncle! And to be caten by undascovered savages! "Yes, but he gave fisem their first taste of re-ligion."—Life.

Not Surprised.—"Hear what impreced to Davist Head up on proudway at z o'clock this morning." If saw him at 1, and he looked as if he'd need something of that hand before long." "Pick

She—The man I am going to marry, bestop, is perhaps a trine dissipated, but he has lots of money. The Hahop-Then, my dear young lady, we must get him into the church at once.—Truth.

Rev. Mr. Saintly-I hope you go to Sunday schoot. Bobble. Bobble-Yes, air. And that's how I get shead of father and mother. Rev. Mr. Saintly-Flow so? Bosby-They have to go to church,-Brooklyn Life.

"I want to pay this bill," he said to the hotel clerk. "But I think you have made a slight error here in my favor. I've been reading over the extrus, and I cannot find that you have charged me anything for tolling me you thought it might rain."—Tit-Bits.
